

Greetings,

Band camp is off to a great start! We truly have an exceptional group this year, and we are making great progress. Every day the students arrive eager to take on the challenges of the day and have had great deal of success.

I know that this would not be possible without the support and understanding of you, the family of the Marching Hawks and Golden Pageantry Corps, so we would like to invite you to join us on the evening of Friday August 20th at 6 PM.

The Talons will be grilling up some hot dogs and providing beverages and chips on the side. We ask that every student bring a dessert for twelve. The Talons will welcome you, inform you of various opportunities to help the band, including moving pit equipment, setting up felts, distributing and collecting uniforms and, of course, every facet of Music in Motion the competition that we host every November.

After dinner you will have a special opportunity to see and hear this year's phenomenal group perform for the first time in the 2010 season; this is a chance you won't want to miss.

I look forward to seeing you there!
