

May 21, 2009

Dear Prospective Sponsor,

We are writing to ask for your support of the Centennial High School Marching Hawks and Golden Pageantry Corps. The band program provides a wonderful enrichment to the high school experience and teaches the students much more than just music. Budget cuts are impacting this important program. For this reason we are asking that you consider becoming a Talons sponsor.

The Talons is a support group, which is a recognized California 501c3 non-profit organization, consisting of parents of band and color guard students. The parents of our band students provide much of the funding for the band's activities, however we need the support of our local businesses to ensure the success of our hard working band students. Any donations made to The Talons are tax deductible. Our TAX ID number is 77-0374299.

We believe in recognizing our business sponsors. We will list your business on our website, www.talons.org, and provide a link to your website if you desire. We will encourage all our parents and students to support those who support them. In addition, we will provide public recognition of our sponsors at our band performances, including sporting events.

We would like to thank you for any donation you can make.

Sincerely,
The Talons Board
Mark Boyer, President
Michelle Bateman, Vice President
Nicole Despot, Treasurer
Meagan Holmes, Secretary
